The **Owen Volunteer Community** is a group of highly connected alumni volunteers who serve as liaisons between their classmates and Owen. This community comprises **Class Agents** and **Class Secretaries** who help increase alumni engagement and encourage class participation.

Participate in an Owen event! Whether you help organize a Closing Bell or attend a dinner with prospective students, there are many ways to get involved with the Owen community near you. You can also **host an event!** We will provide an **Event-In-A-Box** with Owen branded event materials to help you organize the gathering.

Share your expertise by **presenting to a class or club, networking within the Owen community** or **getting involved at alumni events**.

Collaboration is what we do best, and we always encourage engagement between our alums and Owen.

Interested in being involved with students or the Owen community as a whole? Scan the QR code to fill out our "talent" form and we will reach out to you when opportunities arise to present in classes, speak at club events or engage with local alumni!

— Your gift to the **Owen Annual Fund** helps power important research and areas of greatest need, such as scholarships, supporting travel for case competitions and students' unexpected financial needs.

The **Owen Giving Society** is an exclusive group of alumni and friends of Vanderbilt that support Owen through leadership-level annual gifts ranging from \$1,000 to \$25,000 and above.

Other Ways to Give – Alumni, parents and friends give to Owen in a variety of ways, including one-time gifts, multiyear pledges, gifts of stocks and securities and more. Many companies offer employer matching gift programs that could double or triple your gift. Additionally, planned giving opportunities are a way to support Owen's mission while accommodating your personal, financial, estate-planning and philanthropic goals.
